Introduction: The Importance of a Proper Check-Out Process

Leaving your apartment at Campus Court isn't just about packing up your belongings; it involves a series of steps designed to protect your interests and uphold the community's standards. A well-executed check-out process minimizes disputes, ensures the return of your security deposit, and leaves a positive impression for future residents. This handbook aims to clarify expectations, outline necessary procedures, and provide practical tips for a seamless move-out experience.

Understanding the Campus Court Check-Out Policy

Overview of the Policy

Campus Court's check-out policy is designed to ensure that residents vacate their units in a condition that reflects their tenancy period. The policy stipulates that residents must schedule their move-out date in advance, adhere to cleaning standards, and complete specific forms to facilitate a thorough inspection. Failing to follow these guidelines may result in deductions from your security deposit or additional charges.

Key Tenancy Responsibilities

- Notice of Intent to Vacate: Residents are required to provide written notice, typically 30 days before their planned move-out date.
- Final Inspection Scheduling: Arrange a walk-through with management to assess the condition of your apartment.
- Cleaning and Repairs: Thoroughly clean the unit and address any damages beyond normal wear and tear.
- Returning Keys and Access Devices: Ensure all keys, access cards, or remotes are returned on or before your move-out date.

Preparing for Your Move-Out: Steps to Follow

- Reviewing Your Lease Agreement

Before initiating the move-out process, carefully review your lease agreement for specific clauses related to termination, notice periods, and move-out procedures. This helps prevent inadvertent violations and ensures compliance with community standards.

- Providing Proper Notice

- Written Notice: Submit your move-out notice in writing, either via email or through the community portal, and confirm receipt.

- Timing: Submit your notice at least 30 days prior to your planned departure date unless otherwise specified.

- Documentation: Keep copies of your notice for records and future reference.

- Scheduling a Move-Out Inspection

- Contact the management office to schedule a walkthrough.

- Aim to do this before your final packing to identify potential issues.

- Be present during the inspection to clarify any concerns and discuss potential repairs or cleaning responsibilities.

Addressing Damages

- Timing: Return these items on or before your move-out date.
- Confirmation: Obtain a receipt or written acknowledgment confirming the return to prevent disputes.
